

# LIGHT OF CHRISTMAS

Once upon a time in a land far away  
There lived a jolly old man named Santa Claus, they say  
He had a big heart and a twinkle in his eye  
and every year he would fly across the sky

With his sleigh full of toys and his reindeer so quick  
He would visit every house, even those made of brick  
and with a wink and a smile, he'd leave a gift  
Then fly away, leaving spirits to uplift

But one year as he traveled, he saw something strange  
the light of Christmas seemed to be out of range  
People were rushing, with no time to spare  
They forgot about joy and love, they didn't seem to care

So, Santa thought long and hard, and came up with a plan  
to remind people what Christmas is all about, he can  
He put on his boots, and went out for a stroll  
He met a little boy who had lost his Christmas soul

"Dear boy, what's wrong?" Santa asked with a grin  
The boy looked up and replied with a sigh, "Where do I begin?  
Christmas used to be fun, with lots of laughter and joy  
but this year, I just can't seem to find it, not even a toy"

Santa knew just what to do, he put his hand on the boy's chest  
and whispered some magic words, like a magical fest  
He said, "Close your eyes and take a deep breath  
and let the spirit of Christmas fill your heart with its best"

The boy did as he was told, and he felt a warm glow  
from his toes to his head, his heart started to grow  
He opened his eyes, and saw a light shining so bright  
and suddenly, he knew that everything would be alright

Santa smiled and hugged the boy, "There you go, my dear  
the light of Christmas is always here, it's always near  
Just open your heart, and let it shine through  
and you'll see, there's nothing that the spirit of Christmas can't do"

From that day on, the boy remembered Santa's words  
He spread joy and love, like a flock of happy birds  
and every time he saw that light shining so bright,  
He knew that Santa had put the spirit of Christmas in his heart,  
just right.
