STARLIGHT EXPRESS

STARLIGHT EXPRESS

Although Santa has many sleighs the “**Starlight Express**” is the oldest and Santa's most favorite sleigh. Santa's sleigh looks charming, and old, but it is way more cutting-edge than Santa lets on. The elves have updated this sleigh with many upgrades like autopilot, blind spot monitoring system, rearview camera, GPS, naughty & nice sensor, heated & cooled seats, hot coco & cookie dispenser, and fully upgraded dashboard with many updated controls. Starlight is truly old meets new, and probably why it is Santa's favorite sleigh to use on Christmas Eve.
